

LinkedIn Guide

How to Find Alumni on LinkedIn

LinkedIn provides a powerful platform for connecting with fellow alumni from Jacobs University or Constructor University. Follow these simple steps to locate and connect with other alumni:

1. **Open LinkedIn:** Start by visiting the LinkedIn website (www.linkedin.com) and log in to your account. If you don't have an account, you'll need to create one.
2. **Access the Search Bar:** Locate the search bar at the top of the LinkedIn homepage. It's prominently displayed for easy access. Click on it and press enter.
3. **Check out the filters:** Customize your search with filters to access your desired audience.

4. **Select the "People" Tab:** After locating the filters, click on the "People" tab just below the search bar. This narrows down your search to individuals.

5. **Expand Search Filters:** To refine your search further, click on "All Filters" beside the search bar. This will open up additional search options.

The screenshot shows the LinkedIn search interface. The search bar contains 'Constructor University'. Below the search bar, there are navigation tabs: 'People', 'Connections', 'Actively hiring', 'Locations', 'Current company', and 'All filters'. The 'All filters' tab is selected and highlighted with a red box. The search results show about 29,000 results. The 'All filters' menu is open on the right, showing options for 'Connections' (1st, 2nd, 3rd+), 'Connections of', 'Followers of', 'Actively hiring' (toggle off), and 'Locations' (Germany, Sweden). The 'Show results' button is visible at the bottom right of the filter menu.

6. **Specify School:** Within the filters, locate the "School" section. Click or add the full name of your university's specific campus, for instance, "Jacobs University Bremen", "Constructor University Bremen", "Constructor Group", or "Constructor Academy".

The screenshot shows the LinkedIn search interface with the 'All filters' menu open. The 'School' section is highlighted with a red box. The 'School' section lists several options, including 'Constructor Academy', 'Constructor University', 'University of Bremen', 'Harvard University', 'Constructor Group', 'Jacobs University Bremen', 'Harvard Business School', and 'HSB Hochschule Bremen - City University of Applied Sciences'. The 'Constructor Academy', 'Constructor University', and 'Constructor Group' options are checked. The 'Show results' button is visible at the bottom right of the filter menu.

7. **Click "Show results"**: After specifying the school, click on the "Show results" button to update your search with the chosen filters.

8. **Browse Alumni Profiles**: LinkedIn will now display a list of individuals who match your criteria. Scroll through the results to find and connect with your fellow alumni.

9. **Send Connection Requests:** Click on the profiles of alumni you wish to connect with. On their profile page, click the "Connect" button to send a connection request. You may include a personalized message to introduce yourself.

The image shows a LinkedIn profile page for a user at Constructor University. The profile information includes: "Studying BA International Relations: Politics and History at Constructor University Bremen", "Bremen, Bremen, Germany · Contact info", and "7 connections". Below this, it lists mutual connections: "Pauline Gantzer, Karim Abualrish, and 1 other mutual connection". At the bottom of the profile section, there are three buttons: "Connect" (highlighted with a red box), "Message", and "More". The right sidebar contains promotional ads for flatex, LinkedIn Sales Solutions, and USE IT: IT-Plattform. Below the ads are sections for "People also viewed" (listing Ben Sexton and Jack Damyon) and "People you may know".

10. **Engage and Network:** Once your connection requests are accepted, engage with your fellow alumni. Congratulate them on their achievements, comment on their posts, or initiate conversations!

By following these steps, you'll effectively navigate LinkedIn to reconnect with and expand your network of alumni from Jacobs University, Constructor University, Constructor Group, and Constructor Academy.
